

Revolutionary Canadian-made Home Outdoor LED Lights

Industrial-grade High-performance LED Lighting for Your Home

**Durability
Performance
Savings**

**WARM and COOL
light available
(COOL is shown
both photos)**

Our lenses allow precise lighting in needed areas and avoids putting light in neighbor's yard and bedroom windows. No wasted light means brighter with less power.

Top 10 reasons to select DelphiTech® over other brands for Outdoor LED Recessed Soffit Lights		
Benefit	DelphiTech Products	Typical National Brands
Fitted	2.25" hole & 2.8" size fits between corrugations ✓	4.25" hole & 5" size sticks out over soffit corrugations
Energy	Consumes only 2 Watts per light fixture ✓	Consumes 9-10 Watts per light fixture
Brightness	Efficient light, 3X brighter leveraging our crystal-clear lens technology ✓	Wasteful light, 1/3 as bright in needed vertical direction due to a broad light diffuser
Design	Tilts providing desirable vertical lighting, almost all roof slopes - best designs ✓	Most models little or NO tilt so lighting shines sideways on sloped soffits
Durability	Optics remain clear - won't crack or discolor for 20+ years outdoors ✓	No assurance on light transmission durability in outdoor conditions
Focused	Lens system only shines light in useful areas for maximum results with less energy ✓	Wastes light in unwanted areas like neighbor's yard, bedroom windows
Components	Trim rings will never rust or discolor, 4 colors ✓	No assurances on trim ring durability, 2-3 colors
Warranty	7 years, unlimited hours, no receipt needed, automatically transferred to new owner ✓	Typical 3-5 years, some with hours restrictions, requires original proof of purchase, not transferable
Lifetime	3X-6X more durable, est. lifetime 180,000+ hrs ✓	Est. lifetime 30,000 to 50,000 hrs
Surges	Technology to absorb most electrical surges from nearby lighting strikes ✓	Typically does not contain any electrical surge suppression technology

*** Brightness compared for medium lens average. Our wide lens results in 1.5X brighter for 1/5 the power.**
